

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than sixty years combined experience with successfully designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to providing top quality and new design concepts in order to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy providing products which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK enjoys tackling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills combined with their comprehension of cleaning applications, along with owners' strong desire to dramatically lessen cost through productivity gains.

The workers at TREK and their dealer-partners are really devoted to having both technical support and parts obtainable when it is needed. Their high service dedication is among the core values in their customer service. Keeping their clients' cleaning machinery working and ready day after day is top priority. The company's top of the line technology delivers dependable equipment that eventually lessens your cost of cleaning. The product, the price and the service all work together in order to make them the leader in the trade.
