Advance-Nilfisk Parts - Think about how tiresome it will actually be to tidy up your very own home right after throwing a big party, without help from cleaning machines. In the past, when carpets and upholstery had the dust beat out of them by hand; brushes, brooms and cleaning cloths were the state-of-the-art cleaning supplies of that time.

P.A. Fisker, the man who established Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Starting the company in 1906, he began to produce motors so as to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's vision from the beginning was to have an international company selling merchandise globally.

The Nilfisk C1 was a tremendous breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and can be operated by a single person. This invention came in a time where many cleaning equipment were very big and required at least 4 operators, hence, the Nilfisk C1 changed everything and evolved the way we clean forever. The brain behind these first cleaning equipment remains unparalleled. Cleaning equipment offer a brilliant solution to an existing problem; stuff get filthy and need to be cleaned on a regular basis, without too much effort.

Slowly but progressively, Nilfisk-Advance developed throughout the years. During the 1980s, this expansion really occurred the time the business became a part of the NKT Group. Their new owners' determination and concentration made Nilfisk-Advance take a huge leap ahead within the trade, aspiring to be among the biggest universal players in the market of professional cleaning equipment. Nilfisk-Advance is currently found in all parts of the world by gradually obtaining a lot of small companies so as to expand their product selection and presence in new markets. They are really proud to present different cleaning solutions to suit each and every need.
